I'VE SAVED £££s AT THE OPTICIAN AND DENTIST

**Gina Croft, 34,
from Birmingham,
slashed her
medical costs**

I was spending

a fortune at my optician and dentist. Then, online, I discovered Healthy Discounts' optical and dental plan. It costs £5 a month and you can save up to 20 per cent

on a range of treatments (see box below). I found participating opticians and dentists in my area, and I'm planning to have a root canal done. Within a month, I'll get back the money I've spent on premiums – this year I should save £300. ● Go to www.healthydiscounts.co.uk or call 0808 234 3558 for more information.
